A Note from the Publisher

Population Biology of Plant Pathogens (Milgroom)

Chapter 7, page 167, Figure 7.16—In the lower-left part of the figure, the blue capital “A” should be lowercase “a”. Here is the corrected figure:

Chapter 7, page 170, Equation 7.4—In the second and fourth lines, the subscripts in the left-hand sides of the equations should be as follows (“Ab” and “ab”, respectively):

\[
\begin{align*}
p_{AB} &= p_A p_B + D \\
p_{Ab} &= p_A p_b - D \\
p_{aB} &= p_a p_B - D \\
p_{ab} &= p_a p_b + D
\end{align*}
\]

Chapter 7, page 170, Equation 7.6—In each line beginning with “min”, a space should follow the comma, as shown below. In the second line beginning with “min”, the four subscripts should be as follows (“A”, “b”, “a”, and “B”, respectively):

\[
D_{\text{max}} = \begin{cases} 
\min(p_A p_B, p_a p_b) & \text{when } D < 0 \\
\min(p_A p_b, p_a p_B) & \text{when } D > 0
\end{cases}
\]
